EDITORIAL NOTE

UMM Journal of Accounting and Financial Management (UMMJAFM) is an official academic publication of the Department of Accounting, University of Mkar, Mkar published bi-annually. The Journal seeks to promote scholarship through the publication of well-researched theoretical, empirical, qualitative, and quantitative articles on contemporary issues in accounting, financial management, social sciences, and allied fields.

UMMJAFM is an open-access and peer-reviewed journal. Articles published here are subjected to double-blind review. The journal welcomes novel contributions that are theoretically motivated. Contributions are also sought from diverse contributors both locally and internationally through presentations at conferences organized by academic departments.

We acknowledge the authors whose articles were accepted for publication. The editorial board is highly appreciated for their constructive criticisms and corrections.
